2 Visual Style

How the image looks and feels

Photorealistic

Looks like a real photograph: sharp, accurate, true-to-life

Cinematic & Moody

Dramatic lighting, deep shadows, subtle film grain

Soft & Dreamy

Slightly glowy, gentle blur, warm diffusion

Hallucinated / Surreal

Colors too saturated, edges too perfect, slightly off

HDR Punchy

High contrast, hyper-saturated, over-processed

Warm Film Grain

Analog film warmth, natural grain, golden tones
